PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Belgrave South Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Students must be supervised for a minimum of 10 minutes before and after school. This supervision may include some or all of the following:

- Monitoring of entry or exit points and/or designated pick up and drop off areas
- Yard supervision
- Classroom supervision (students enter the classroom at 850am)

At Belgrave South Primary School, supervision at the beginning of the school day will commence at 8.50am. This supervision will include classroom teachers supervising students in the classroom environment.

Supervision at the end of the school day will be provided until 3.45. This supervision will include teachers being available after school.

Outside of these hours, school staff will not be available to supervise students. The school, (via the school newsletter) each term inform parents/carers of the precise times during which the school's grounds will be monitored. They should not allow their children to attend Belgrave South Primary School outside of these hours.

Families will be encouraged to contact the office staff on 97542505 or ring 1300395735, or email belgravesouth@oshclub.com.au more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or Assistant Principal will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent, guardian or carer make alternate arrangements including using the Before/After School care program.

If a student is not collected before supervision finishes at the end of the day, the Principal /Assistant Principal will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

The bag will contain any information relating to student health and safety such as frequent absconders, parents who pose a serious risk to safety etc.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students

- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Yard duty roster person/ Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office or Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Assistant Principal and **not leave** the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher has ultimate responsibility for the supervision of all students in their care.

This duty cannot be delegated to external education providers, parents or trainee teachers.

In addition, no student should be left unsupervised outside the classroom as a withdrawal consequence for misbehaviour. Withdrawal from the classroom is only to occur in accordance with the Belgrave South Primary School's policy.

If a teacher needs to leave the classroom unattended at any time during a lesson, he or she should contact a teacher from an adjoining classroom for assistance. The teacher should then wait until alternate supervision is being provided prior to leaving the classroom.
